Equity Metals Lists on the OTCQB Venture Market Exchange

Equity Metals Corporation (the "Company") is pleased to announce that it has received approval to begin trading its common shares on the OTC Markets Group's OTCQB Venture Market in the United States under the symbol "EQMEF". The Company's common shares will begin trading on the OTCQB Marketplace on June 17th, 2020 and will continue to trade on the TSX Venture Exchange under the symbol "EQTY".

The OTCQB is recognized as an established public financial market for international companies, including natural resource companies in the exploration industry, to trade in the U.S. The OTCQB Venture Market offers companies the opportunity to build their visibility, expand their liquidity and diversify their shareholder base on an established, public market. The OTCQB offers transparent trading in early stage, exploration companies and provides annual verification and certification of management to investors thereby improving their level of information and trading experience.

Lawrence Page, Q.C., Equity Metals Chairman and Director, stated, *"We are pleased to be listed on the OTCQB, as this provides an opportunity to attract a broader base of international investors. Trading on the OTCQB will expand the company's presence to new and existing shareholders in the United States with a transparent trading platform. Admission to the OTCQB exchange is part of our strategy to introduce the company to a wide range of institutional and retail investors in the United States, particularly as we prepare our Silver Queen gold property for drilling this summer."*

About Equity Metals Corporation

Equity Metals Corporation is a Manex Resource Group Company. The Group provides expertise in exploration, administration, and corporate development services for Equity Metals' two major mineral properties, the **Silver Queen Au-Ag-Zn-Cu project**, located in central B.C., and the **Monument Diamond project**, located in Lac De Gras, NWT.

The Company owns 100% interest, with no underlying royalty, in the 18,892ha **Silver Queen project**, located in the Omineca Mining Division near Owen Lake, British Columbia. The property hosts a series of high-grade, precious- and base-metal veins related to a buried porphyry system, which was only recently discovered and has been only partially delineated. The Company also has a JV interest in the

Monument Diamond project, strategically located on the south shore of Lac De Gras, NWT. Diamond-bearing kimberlites of the Monument Property form part of the Lac de Gras cluster and occur within 40 km of both the Ekati Diamond Mine and the Diavik Diamond Mine. The project owners are Equity Metals Corporation (57.49%); Chris and Jeanne Jennings (22.11%); and Archon Minerals Ltd. (20.4%). Equity Metals is the operator of the project.

The Company also has royalty and working interests in other Canadian properties, which are being evaluated further to determine their value to the Company.
